

MARCH 2025 NEWSLETTER

BusinessFirst! Resource Meeting

We are excited to invite you to the **March 27th BusinessFirst! Outreach Specialist Meeting**, where we will explore robotics and automation, and industry trends shaping the future of manufacturing and logistics.

This event will feature expert insights from:

- Roger Christian – New Business Development Leader, Yaskawa America Motoman Robotics Division
- Mike Freed – Manufacturing Specialist, Workforce Development, Sinclair
- Adam Rain – Program Coordinator, Electronics, Robotics, and IST, Sinclair

They will share their expertise in robotics and automation, workforce development, and STEM innovation, offering real-world applications, industry challenges, and success stories especially from businesses that have leveraged robotics to enhance efficiency.

Attendees can Park in Parking Lot K, located [HERE](#). This event is being held in Building 13, located to the North of this lot.

Certification

March 20, 2025

Learn the benefits of becoming a MBE, WBE, VFBE or EDGE certified company, and how to apply!

If you are a minority-owned, woman-owned or veteran-friendly business, certification will help unlock doors for your business. Obtaining a certification will grant exclusive benefits and access to government contracts.

Join the Dayton Minority Business Assistance Center (MBAC) as we explain the types of certifications offered by the State of Ohio, the benefits of each and guiding you through the application process.

Workshop is complimentary. Registration is required.

Virtual Meetup - Workforce/HR

March 25, 2025

Workforce/Human Resources Meet Up is for anyone responsible for human resources or skilling up your manufacturing workforce. This roundtable discussion group covers topics ranging from recruitment/retention, building the workforce pipeline, training resources, funding sources, HR policies and practices, and others.

Thinking about an apprenticeship program but don't know where to start? Looking for a solution to find and retain a qualified workforce? DRMA is teaming up with Jobs for the Future, a nonprofit organization, to help manufacturers start up or join apprenticeship programs. Programs include machining, maintenance, tool & die, and many more. There's no cost to you—in fact, there's likely money to cover start-up and training costs for your workers.

DDC Fly-in

May 12-14, 2025

The Dayton Region hosts one of the United States' most extensive and enduring community-wide programs, known as the Fly-In. This initiative, launched in 1984 by the Dayton Area Chamber of Commerce, continues annually with the primary objective of bridging the gap between local interests and federal governance in Washington D.C.

Each year, local leaders visit Washington, D.C. to engage with federal officials, advocate for regional interests, promote economic development, and improve quality of life. The highlight is a Capitol Hill reception, offering networking with lawmakers and business leaders interested in Ohio.

NATO Parliamentary Assembly 2025 Spring Session

May 23-26, 2025

The NATO Parliamentary Assembly was created in 1955 to serve as a link between the North Atlantic Treaty Organization (NATO) and the parliaments of the now 32 NATO nations, with the most recent additions being Finland (2023) and Sweden (2024). The United States has not hosted a session since the Annual Session in Orlando, FL, in the Fall of 2003. The U.S. has never hosted a Spring Session of the Assembly until Dayton 2025, commemorating the 30th anniversary of the Dayton Peace Accords.
